Such record shall be open at any time to the inspection by the Superintendent, ranger, guardian or other officer having jurisdiction in the Parks.

54. Every such livery-stable keeper or outfitter shall be furnished by the Superintendent with copies of these Regulations and shall furnish each party outfitted by him with a copy thereof.

PROTECTION OF GAME.

61. No person shall hunt, take, kill, wound, injure, or destroy, or pursue with such intent, any wild animal or bird within the Parks.

62. No dog shall be allowed to run at large in any townsite or other portions of the Parks. Any dog so running at large may be impounded, and shall only be released on payment of a fine of not less than two dollars and costs. If not claimed and charges paid within forty-eight hours the dog may be destroyed.

63. Any dog so impounded a second time may be destroyed without the option of a fine. The owner of any dog destroyed under these Regulations shall have no claim for compensation.

64. (a) No person shall fish for, take, catch or kill, from or in any of the waters of the Parks any fish that inhabits such waters, or attempt so to do, with any kind of net, seine or snare, rack, trap or weir, or night line or set line, or in any other way than by hook and line:

(b) No person shall use dynamite or any explosive, or any poison for the purpose of killing, destroying, injuring or taking fish in or from the said waters:

(b) No person shall, in or from the waters of the Park, kill or retain or carry away, more than fifteen fish in one day.

66. No fish shall be taken between the fifteenth day of September and the fifteenth day of May. Fishing may be prohibited in any of the waters of the Parks, or limited therein to any specified season of the year by the order of the Minister of the Interior.

67. All nets, seines, fish traps, and all snares, traps or other devices for taking fish and game unlawfully, found within any of the Parks, shall be subject to confiscation; and the person or persons in whose possession such nets, seines, traps, snares or other devices are found, shall be subject to the penalties provided by these Regulations.

68. The outfits of all persons, found hunting or trapping, or fishing illegally, or having in their possession game or fish killed within the Parks in contravention of clauses 61, 64, 65 or 66 of these Regulations; also such game or fish taken or had in possession by such persons, shall be subject to seizure and confiscation; but such seizure and confiscation shall not relieve such persons from the penalties provided for an infraction of these Regulations.

69. The illegal possession of each and every head of game shall be a separate offence.

70. The Superintendent of any of the Parks, or in his absence, any person occupying that position, or any game guardian appointed by the Minister of the Interior, shall have authority to enter upon and search the premises of any person or persons, whom he or they have reason to suspect, and do suspect of having fish or game in their possession contrary to any of the provisions of these Regulations, and if such person or persons shall be found to be in possession of fish or game contrary to the provisions of these Regulations, such fish or game may be confiscated.

71. No person residing in or visiting or travelling through the Parks, except a duly authorised game guardian, shall have in his possession or carry any rifle, shot gun or other fire-arm, unless such rifle, shot gun or other fire-arm shall have been sealed by the Superintendent or other officer authorised by the Superintendent; and no such seal shall be broken within the limits of the Parks, except as hereinafter provided.

72. Any unsealed rifle, shot gun or other fire-arm found within any of the Parks may be confiscated by the Superintendent, ranger, guardian or other officer.

73. The head guide in charge of any party shall be responsible for seeing that the rifles, guns and other fire-arms are sealed as hereinbefore required, and that such seals are kept unbroken within the limits of the Park. One extra seal for each rifle, gun or other fire-arm and a sealer shall be given by the Superintendent to the guide in charge of any party proposing to go outside the limits of the Park and on the return of the party to the Park the guide shall again seal all the rifles, guns or other fire-arms in his party; and such seals shall be broken only by the Superintendent, guardian,

or other officer authorised for that purpose by the Superintendent. This provision shall not, however, exempt anyone from personal liability for the infraction of these Regulations.

74. Every guide entrusted with seals shall account therefor to the Superintendent who may require him to furnish evidence by statutory declaration or otherwise that no improper use has been made thereof.

GAME GUARDIANS.

75. Game guardians may be appointed by the Minister of the Interior; and such guardians shall have authority to enforce the laws and regulations in force within the Parks. The Superintendent or other officer appointed for the purpose shall have authority to examine and weigh at such times as he may consider advisable any bread found in the store or delivery van of any baker or bread-dealer within the Parks; and if such bread be found of less weight than that indicated upon the loaf, the Superintendent or other officer may confiscate the same and dispose of it by sale or by donation to some charitable purpose. Such confiscation, however, shall not relieve the baker of such bread from the liability imposed by these Regulations for an infraction thereof.

82. No person shall be permitted to bathe near any of the regularly travelled roads, dwellings, or other places of public resorts in the Public Parks without suitable bathing clothes.

83. All complaints by tourists and others as to service, etc., rendered in the Parks should be made to the Superintendent in writing before the complainant leaves the Park.

PENALTIES.

84. The Superintendent of any of the Parks, or, in his absence, any person occupying that position, or any game guardian, constable or police officer, may, on view, without warrant or legal process, arrest and bring before a Justice of the Peace, or before the Superintendent, to be dealt with according to law, any person found violating any of the provisions of these Regulations, or having in his possession fish or game contrary to the provisions of such Regulations.

86. Any person who violates any of the provisions of any of these Regulations, shall, except as hereinafter specially provided, be liable on summary conviction to a penalty not exceeding fifty dollars and costs, and in default of payment thereof, to imprisonment for a period not exceeding three months.

87. Any person who violates any of the provisions of clause number forty-nine of these Regulations, which relates to the sale of intoxicating liquors within the Parks, shall be liable on summary conviction, to a penalty not exceeding, in each case, the sum of fifty dollars and costs, and in default of payment thereof, to imprisonment for a term not exceeding three months; and a moiety of every penalty imposed and collected under the provisions of this clause of these Regulations shall belong to His Majesty and the other moiety to the person laying the information.

88. Any person who violates any of the provisions of clause seventy-eight of these Regulations, which relates to gaming, shall be liable on summary conviction, to a penalty not exceeding, in each case, the sum of fifty dollars and costs, and in default of payment thereof, to a term of imprisonment not exceeding three months; and a moiety of every penalty imposed and collected under the provisions of this clause of these Regulations shall belong to His Majesty and the other moiety to the person laying the information.

JURISDICTION.

89. In order the more effectually to repress the offences specified in clauses numbers forty-nine and seventy-eight of these Regulations, every officer of the Parks, or officer of the North-West Mounted Police Force, or constable of the North-West Mounted Police, accompanied by or acting under the orders of a commissioned officer of the said Force, is hereby authorised, by force if necessary, and without the necessity of any intervention or process of law, to enter any suspected place, to arrest therein on view any person or persons found committing any of the offences aforesaid, and to bring him or them before any of the officers who, by these Regulations, are empowered to sit and act as Justices of the Peace within the Parks, to be dealt with according to law; and also to seize any tables, or other instruments, and money, securities for money, intoxicating liquor, and vessels and appliances used in connection therewith, in contravention of the said clause; and upon the conviction of such person or persons or any of them of such offence, in addition to any penalty imposed in respect thereof, the said table or tables and other instruments shall be forfeited and sold, or in the discretion of the convicting Justice, destroyed, and the money so seized as aforesaid shall be forfeited and applied, together with the proceeds of sales, towards the revenue of the Parks in the manner hereinafter provided.

90. For the control and management of the Parks in any manner whatsoever not specially provided for by the Rocky Mountains Park Act, Revised Statutes of Canada, 1906, chapter 60, or by any other Act of the Parliament of Canada applicable to the Parks, or by the foregoing Regulations, any existing Statute of the Province in that behalf shall be in force.

GENERAL PROVISIONS.

91. The revenues derived from any source under any of the provisions of these Regulations shall be deposited forthwith to the credit of the Receiver-General on account of the Dominion Parks, except as otherwise specially provided.

LEGISLATIVE ASSEMBLY.

PRIVATE BILLS.

EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.

RULE 59.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867," whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, or Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint Stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act,—shall require a Notice, clearly and distinctly speci-

ifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such notice to be published as follows:—

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House, to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published.* At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10¼ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred

copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By new Rule 65A, passed on the 2nd April, 1901, (*see Journals, 1901, page 58*), a model form of Railway Bill is adopted.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

Under a new rule, see Journals 7th March, 1908, in the case of Bills to Incorporate Companies, in addition to the fee of \$300 mentioned in rule 57, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.
